

5-YEAR SUPPORTING MEMBERSHIP OFFER FOR AMS SCHOOL PARENTS

Dear parents,

Your child's school is a member of the Association Montessori (Suisse), an association which brings together individuals wishing to support the Montessori pedagogy (such as schools, professionals, parents, etc.)

Among other things, we work to inform the public about the benefits of a Montessori education and engage with the authorities to secure greater recognition for our schools.

As a parent at the school, you are eligible to join our association for free, as a "supporting member", which we are pleased to offer you herewith.

Becoming a supporting member of the Association Montessori (Suisse) means:

- Supporting the Montessori approach in Switzerland and your child's school
- Recognising the need for an education based on respect for each child's development
- Supporting the presence of Montessori education in your canton and country.

Becoming a supporting member of the Association Montessori (Suisse) will allow you to:

- Receive information about the Montessori method via our newsletter
- Access the Association's events at a preferential rate (training courses, conferences, etc.)
